ALTA Renews HDEP International as Elite Provider

Washington, D.C., Feb. 22, 2023 — The [American Land Title Association](#) (ALTA), the national trade association of the land title insurance industry, announced it has renewed [HDEP International](#) as an ALTA Elite Provider.

ALTA's [Elite Provider Program](#) features distinguished service providers committed to furnishing extensive benefits to the title insurance and settlement services industry. Elite Providers promote the highest industry standards and provide effective solutions for ALTA members' critical needs.

"HDEP International has shown its dedication to excellence as a member of the ALTA Elite Provider Program," said Diane Tomb, ALTA's chief executive officer. "In the current changing market place, it is important ALTA connects its members with as many quality, high-caliber service providers as possible. The Elite Provider Program calls for our premiere providers to complete a comprehensive application process, which includes providing ALTA member recommendations as well as financial statements. This system proves Elite Providers like HDEP International can add value to our members and make their businesses more profitable."

HDEP International provides high-quality title production services, order entry, commitment preparation, O&E reports, abstracts, foreclosure reports, final polices and more. In addition to title production work, the company builds electronic title plants, maintains existing daily plants, completes legal descriptions and provide other services. Because HDEP International is platform agnostic, work is completed in the customers' current systems. The company allows its customers to convert fixed costs to variable costs and notes that its customers can save as much as 50 percent of internal costs when using their services. The company's facilities are ISO 27001 security certified, and the company is ALTA Best Practice Pillar 3 compliant.

[HDEP International](#) offers complimentary project evaluations and project setup services to ALTA members.
