“Permission-To-Solicit” Authorization Form

Yes, I permit TIPAC to solicit voluntary contributions from executive and administrative personnel, and others as defined under Federal Election Campaign Laws. My company has not approved solicitations by another trade association Federal PAC for the same calendar year.

I authorize TIPAC solicitations for the following year(s):

_____ 2008 Authorized Signature: _____

_____ 2009 Authorized Signature: _____

_____ 2010 Authorized Signature: _____

Name (please print): _____

Title: _____

Company: _____

Company Address: _____

City: _____ State: _____ Zip: _____

Phone: (_____) _____

A *corporate representative* with whom ALTA normally conducts its activities must sign this form. By granting solicitation approval, you do not obligate yourself or your employees to give to TIPAC. The decision to donate is your personal choice. Corporate approval is necessary before TIPAC can conduct a solicitation.

The *corporate representative* is the person assigned by the corporate member of ALTA to be the contact with the association – that is, the person with the authority to act on behalf of the corporation, effectively acting as its agent for this purpose. As this is a designation that the individual corporate member can make, the exact title and role of the individual may vary. For example, the corporate representative could be the owner/operator of a title agency, or the person the owner sends to work with the association on a regular basis. As a practical matter, the person signing the authorization should feel comfortable making that approval on behalf of the company. Thank you.
