Lender Processing Services, Inc.'s SoftPro Division **Wins Stevie[®] Award at the 6th Annual American Business AwardsSM**

JACKSONVILLE, Fla. – (July 11, 2008) – Lender Processing Services, Inc. (LPS) (NYSE:LPS), a leading provider of integrated technology and services to the mortgage industry, today announced that its SoftPro division has won a Stevie Award for Best Customer Service Organization at the 2008 American Business Awards. This marks the second year in a row that SoftPro has been awarded a Stevie for their focus and dedication to customer service. SoftPro was also named a finalist in several other categories, including Best New Product and Best Product Development Team.

In accepting the Stevie, Amy Riggsbee, SoftPro's Vice President of Support and Business Solutions said, "I'm happy to accept this award on behalf of the entire SoftPro organization. Customer service is truly our company's primary focus. Each member of the SoftPro team makes customer service their top priority."

Stevie Awards were presented during ceremonies at the Marriott Marquis Hotel in New York City. Awards were presented in over 40 categories, including Best Overall Company, Best Executive, and Best Corporate Social Responsibility Program. More than 2,600 entries from companies of all sizes and in virtually every industry were submitted for consideration.

"Winning the Stevie for Best Customer Service Organization is the greatest compliment," said Joyce Weiland, SoftPro's Chief Operating Officer. "We could not have achieved this award without the hard work and dedication of each and every SoftPro employee. Our teams

continually strive to serve every customer with the highest standard, whether they are providing superior customer support, training, or developing the most advanced closing and title software solution on the market today. I think this reward is a reflection of that philosophy.”

Headquartered in Raleigh, North Carolina, LPS’ SoftPro is the nation's leading provider of closing and title software solutions. SoftPro has over 12,000 customer sites and more than 60,000 users nationwide, in all 50 states and offers a full suite of cutting edge solutions that streamline the closing process. To learn more about SoftPro and their products and services call 1-800-848-0143 or visit www.softprocorp.com.

About Lender Processing Services

Lender Processing Services, Inc. (LPS) is a leading provider of integrated technology and services to the mortgage industry. LPS offers solutions that span the mortgage continuum, including lead generation, origination, servicing, portfolio retention and default, augmented by the company's award-winning customer support and professional services. Approximately 50 percent of all U.S. mortgages are serviced using LPS' Mortgage Servicing Package (MSP). In fact, many of the nation's top servicers rely on MSP, including seven of the top 10 and 16 of the top 20. LPS also offers proprietary mortgage and real estate data and analytics for the mortgage and capital markets industries. For more information about LPS, please visit www.lpsvcs.com.
