

A Message from Greg Kosin

You're Invited!

I invite everyone to come to my home town, Chicago, for ALTA's Annual Convention, October 11-13. We are in the midst of planning our 100th convention, and we know it will be a great one.

In addition to our educational sessions, and the opportunity to meet vendors who offer products and services you need, we are going to plan some fun things as well.

We plan to offer a Centennial Lounge to showcase some of ALTA's history and memorabilia, as well as the history of our state affiliates. Many of them have celebrated 100 years as well and we look forward to having them celebrate with us in Chicago. We plan to display some great photos from each decade we've been around, as well as some archival proceedings from meetings, membership directories and the like. It will be a great trip down memory lane.

Our anniversary DVD will debut at one of the General Sessions. We interviewed current and former members to get their thoughts on issues we have faced as an industry over the years. The main DVD will be 12 minutes long. In addition, the DVD, which will be given out to all attendees, will have "sub-videos" included to give more in depth information on topics ranging from multi-generations in the title business, to REPSA, to the importance of the ALTA forms. You won't miss the debut of the DVD.

And you can be sure the closing banquet will be the appropriate celebration to culminate our 100th year.

I strongly encourage you to attend this premier networking event in our industry; support ALTA; and help celebrate 100 years of protecting the American Dream. You're invited. I look forward to your RSVP. Look for registration information on this site this summer.
