2012 Agents and Abstracters Forums Sponsorship Opportunities Contract

Don't miss out on sponsorship opportunities at this year's ALTA Agents and Abstracters Forums. The Agents and Abstracters Forum provides an unparalleled opportunity for small agents and abstracters to meet with their peers and freely exchange ideas, experience and opinions on issues that affect their business today. These meetings are normally open only to ALTA Agent and Abstracter Members, but by sponsoring, your company can send a representative to meet these potential customers. Opportunities are available on a first-come, first-served basis. Our sponsors gain wide-spread recognition and exposure at each meeting. What better way to profit than to guarantee prominent visibility where your prospects have gathered?

Speaker Sponsor

Sponsorship includes: attendance at the speaker session, visible signage, brochure placement in room, and announcement of sponsorship
