Annapolis, MD – April 21, 2009 – TSS Software Corporation (TSS), the nation's largest independent software provider dedicated exclusively to the settlement services industry, has named Laura Davis as Vice President, Accounting and Administration. Davis has been with TSS since 2006.

In her new position, Davis will oversee all accounting and administrative functions for TSS. The promotion makes her an officer of the company, and part of the senior management group. Davis came to TSS as a senior accountant with 16 years experience in public accounting and financial analysis. She has also served as a controller during her career. Davis received her B.S. in Accounting from Salisbury University.

"Laura is an exceptional and reliable professional, and we have come to count upon her skills and advice in numerous ways," said Barbara Miller, president and chief operating officer for TSS. "Her hard work and dedication to superior customer service make Laura a natural fit with our management team."

About TSS Software Corporation

TSS Software Corporation is America's leading independently-owned provider of software and services for real estate title, settlement, and abstracting companies. Its flagship product, TitleExpress, is the mission-critical software system selected by over 16,000 settlement services professionals nationwide.
