American Land Title Association Announces op2 as an Elite Provider

Washington, D.C., March 16, 2015 — The [American Land Title Association](#) (ALTA) has announced that op2 has been named an Elite Provider.

ALTA's [Elite Provider Program](#) is comprised of premier service providers committed to offering comprehensive benefits to the title insurance and settlement services industry. Elite Providers promote the highest industry standards and provide effective solutions for ALTA members' critical needs.

"I am pleased that op2 has joined our growing ALTA Elite Provider program," said Michelle Korsmo, ALTA's chief executive officer. "We are constantly working to provide our members with the resources to find businesses with a proven track record of trusted products and services. The Elite Provider program connects ALTA members with technology and service providers across the land title insurance industry."

op2 is a hosted environment for the RamQuest software solutions that conforms to all of the ALTA Best Practice standards for an IT environment. It offers the highest level of security, availability and redundancy for your RamQuest software in the title and settlement industry today. In addition, op2 enables you with a secure, reliable "virtual office" that gives you access to your RamQuest software from anywhere that you have internet access.

As an ALTA Elite Provider, op2 offers American Land Title Association members a complimentary first month per user access/subscription fee for new customers. Additionally, ALTA members receive complimentary two-year RamQuest User Group (RQUG) membership for one individual at new customer companies.
