

ALTA Technology Committee Report

Chair: Chris St. John

Staff Liaison: Barry Sawyer

Recent Meetings: ALTA SPRINGBOARD 2018

Future Meetings: ALTA ONE 2018

Recent/Current Projects:

The committee has discussed creating a subgroup that will work with the Real Property Records Committee on the topic of Blockchain. The purpose of this group would be to educate ALTA members, provide practical questions and answers, develop use cases, comparison about how the system works today, and how Blockchain adds to the process.
