

# **ALTA Real Property Records Committee Report**

Chair: David Floyd

Staff Liaison: Justin Ailes, Kelly Lyn Romeo

**Recent Meetings:** February 2, 2018 (Conference Call)  
March 19, 2018 (Atlanta, GA)

**Future Meetings:** Summer TBD (Conference Call)  
October 10, 2017 (Miami, FL)

## **Recent/Current Projects:**

The committee has recently discussed the importance of consumer privacy and the potential impact of blockchain technology on the public record. In March, the committee recommended that open cross-committee information-sharing meetings be held on these topics, and efforts are underway to gather with representatives from the Technology Committee, Section Executive Committees, and other ALTA working groups.

## **Future Activities/Projects:**

The committee continues to monitor state legislative and regulatory initiatives impacting the public record and share information with ALTA advocacy staff and working groups; committee representatives will be attending other industry meetings focused on the public record (iGO, PRIA, etc.).
