## State Land Title Associations Donate to TIPAC Education Fund

ALTA would like to recognize the Maryland, Wyoming and Minnesota land title associations for their contribution to ALTA's Title Industry Political Action Committee's (TIPAC) Education Fund in 2011.

Maryland and Wyoming each made \$5,000 contributions to the Education Fund, while Minnesota donated \$1,500.

While contributions to TIPAC are required by law to be personal funds, which go directly toward electing and re-electing members of Congress, corporate funds can be contributed to the Education Fund to cover the administrative and operational expenses of TIPAC, such as mailings, TIPAC Board meetings and TIPAC sponsored events.

For information about TIPAC or the TIPAC Education Fund, contact Kelley Williams at [kwilliams@alta.org](mailto:kwilliams@alta.org).
