**SOURCE:** eLynx, a portfolio company of American Capital (NASDAQ: ACAS), provides the most widely used network for data-centric document collaboration, distribution, and connectivity services for the financial services industry and real estate industries. Data is compiled from settlement agent activity on the eLynx settlement agent database network. eLynx has processed over 50 million loans involving consumers, lenders and settlement agents.\*

eLynx serves more than 4,000 clients of all sizes worldwide, including 25 of the top 50 banks in the United States. The company has 100,000 settlement agents registered to use a network that enables businesses to capture and maintain data electronically throughout the document lifecycle, automating paper-intensive processes, improving workflow, reducing costs and ensuring compliance with evolving industry regulations.
