Loan Disclosures

Assumption

If you sell or transfer your home to another person:

- We will allow, under certain conditions, this person to assume this loan on the original terms.
- We will not allow assumption of this loan.

Demand Feature

- Your loan has a demand feature, which permits the lender to demand early repayment of the loan. If this loan has a demand feature, you should review your note for details.
- Your loan does not have a demand feature.

Escrow Account Information

For now, your loan

- will have an escrow account to pay your home-related costs, such as property taxes and homeowner's insurance. We estimate that these costs will total **\$5,163.60** for the first year of your loan. Without an escrow account, you would pay these potentially large costs directly in semi-annual or annual payments. At closing, you will make an initial deposit of **\$1,642.42** into your escrow account. After that, your regular mortgage payments will include an additional **\$430.30** that will go into your escrow account. We will take money from your account to pay these home-related costs as needed.
- will not have an escrow account. The fee for not having an escrow account is \$_____. In addition to your mortgage loan payment, you are personally responsible for directly paying your home-related costs, such as property taxes and homeowner's insurance. We estimate that these costs will total \$_____ for the first year of your loan. You must pay these costs in potentially large semi-annual or annual payments.

In the future,

If you have an escrow account, or if one is added later, the amount of your escrow payment may change. In addition, you may be permitted to cancel your escrow account, but if you do so, you will be responsible for directly paying these home-related costs unless you create a new escrow account.

If you do not have an escrow account and fail to pay your property taxes, your state or local government may (1) impose fines and penalties

or (2) place a tax lien on your home. In addition, if you fail to pay any of your home-related costs, we may

- add the amounts to your loan balance,
- add an escrow account to your loan, or
- require you to pay for insurance on your home that we buy on your behalf, which likely would be more expensive and provide fewer benefits than what you could obtain on your own.

Late Payment

If your payment is more than 15 days late, we will charge a late fee of 5% of the monthly principal and interest payment.

Negative Amortization

Under your loan terms, you

- are scheduled to make monthly payments that are less than the interest due that month. As a result, your loan amount will increase (negatively amortize), and your loan amount will likely become larger than your original loan amount. Increases in your loan amount lower the equity you have in your home.
- have the option of making monthly payments that are less than the interest due that month. If you do, your loan amount will increase (negatively amortize), and, as a result, your loan amount may become larger than your original loan amount. Increases in your loan amount lower the equity you have in your home.
- do not have a negative amortization feature.

Partial Payment Policy

- We will accept partial payments. We will apply partial payments:

- We will not accept partial payments.

Security Interest

You are granting us a security interest in 1234 Anywhere St., Somecity, IA 54321. You may lose your home if you do not make your payments or satisfy other obligations for this loan.
