2. ALTA reserves the absolute right to decline any application for a Booth or any other space at an Event for any reason, including without limitation if, in ALTA's judgment, the products or services to be shown or demonstrated are not applicable to the title, mortgage or real estate businesses, are inconsistent with the stated purposes of ALTA or the interests and welfare of its members, or are unreasonably duplicative of services or products offered by or available from ALTA or any of its affiliates or subsidiaries.
3. ALTA reserves the right, in its sole discretion, to limit the types of companies and products represented at the Exhibition, to accept or reject applications, and to assign or reassign booth space as it deems appropriate. ALTA reserves the right in its sole discretion to restrict, prohibit, evict any Exhibitor or Exhibitor personnel not complying with these terms and conditions.
4. **CHARACTER OF THE EVENT:** Each Exhibitor agrees to operate its Booth or space in a manner that is in keeping with the character and spirit of the Event. Exhibitor agrees to exhibit only products and services made available by the Exhibitor in the regular course of its business with companies eligible for membership in ALTA. Exhibitor agrees to not utilize its exhibit to denigrate ALTA, its members or another Exhibitor. Further, Exhibitor agrees not to operate its exhibit in a manner that detracts from the general character of the convention. ALTA reserves the right to take the following actions in its sole discretion to close any exhibit, instruct security to remove exhibit personnel or order the removal of any audio visual device if an exhibit is found to be too loud, disruptive, disturbs other exhibits or violates this Contract.
5. **EXHIBIT SPACE:** All Booths and related equipment will generally be located in a large space at the Event Location, ("Exhibit Hall"). At some Events this hall may be referred to a different name but for the purpose of this agreement it is designated the Exhibit Hall.

ALTA will make every effort to maintain the general configuration of the Floor Plan and Booth size for the Exhibit space as outlined in any prospectus. 15. When used as interior wall or ceiling finish, carpeting and similar materials having a napped, tufted, looped or similar surface shall have a Class 1 flame-spread classification.
