YOU SHOULDN’T HAVE TO FIGHT OVER YOUR PROPERTY RIGHTS

If you buy a home without getting owner’s title insurance, you’re taking major legal and financial risks.

Protect your property rights with help from a trusted ALTA member.
We could give you 157 reasons but three seems more reasonable....

1. PROTECTS YOUR LARGEST INVESTMENT
   A home is probably the single largest investment you’ll make in your life. You insure everything else that’s valuable to you—your life, car, health, pets, etc., so why not your largest investment?

2. REDUCES YOUR RISK
   If you’re buying a home, there are many hidden issues that may pop up only after you purchase your home. Getting an owner’s title insurance policy is the best way to protect yourself from unforeseen legal and financial title discrepancies. Learn more about these risks at homeclosing101.org.

3. YOU CAN’T BEAT THE VALUE
   Owner’s title insurance is a one-time fee that’s very low relative to the benefit it provides. A policy typically costs around 0.5% of a home’s purchase price.
