

OPERATION HEALTHY OFFICE: MAINTAIN A HEALTHY WORK ENVIRONMENT

American Land
Title Association
Protect your property rights

Consider improving the engineering controls using the building ventilation system. This may include increasing the percentage of outdoor air that circulates into the system.

Perform routine environmental cleaning and disinfection.

Take care when attending meetings and gatherings.

Perform enhanced cleaning and disinfection after people suspected/confirmed to have COVID-19 have been in the facility.

Advise employees before traveling to take additional preparations.

Support respiratory etiquette and hand hygiene for employees, customers and visitors.
