

# **ALTA National Title Professional Designation Council Report**

Chair: Deborah L. Scott NTP, TPN

Staff Liaison: Deirdre Green

**Recent Meetings:** October 21, 2019, Austin, TX

**Future Meetings:** TBD Conference Call

## **Recent/Current Projects:**

- With 12 NTPs not renewing their designations at the end of 2019, the NTP Council asked staff to find out why those NTPs were not renewing:
  - Five retired
  - Five were unable to meet the requirements to earn ten NTP Points through ALTA involvement
  - We were unable to get in touch with two designees
- The Council would like to develop a list of ways to earn ALTA-related NTP Points that don't include meeting attendance. A preliminary list includes:
  - Committee service
  - Authorship
  - Webinars (participation or speaking)
  - Education

## **Future Activities/Projects:**

- Direct marketing: The council would like to market directly to people who hold a state designation. ALTA staff will reach out to the states to see if we can get their list of designees. The council will develop a flyer or a letter to send.
