

ALTA Research Committee Report

Chair: Tim E. Evans OLTP, NTP

Staff Liaison: Deirdre Green

Recent Meetings: October 8, 2018 (Los Angeles, CA)
Various conference calls
January 13, 2019 (Boca Raton, FL)

Future Meetings: Various conference calls
August 13, 2019 (Manchester, VT)

Recent/Current Projects:

The committee has been focused on the development of the Title and Settlement Services Industry Compensation Index, which is the industry benefits and compensation survey. Projects related to the Compensation Index include:

- Developed demographic questions
- Developed the list of positions on which to collect data
- Developed list of benefits on which to collect data
- Helped to develop ALTA's business rules for who can enter the Compensation Index or review results

Included immediately following this committee report is a screenshot of the main page of the Compensation Index.

Future Activities/Projects:

Continued projects related to the Compensation Index:

- Beta testing the platform and providing feedback
- Identifying key audiences for the survey
- Promoting and marketing participation in the survey to ALTA members
- Reviewing data provided and recommending how ALTA can use the information
