ALTA Information Security Committee Report

Chair: Shabnam Jalakian

Staff Liaison: Kelly Lyn Romeo, CAE

Recent Meetings: None

Future Meetings: July 11, 2019, Denver, CO

October 24, 2019, Austin, TX

Recent/Current Projects:

The Information Security Committee has not met formally since the last report but has been working on a member resource tool. The "Outgoing Wire Preparation Checklist" provides a process for verifying the source of wire information at the time of the actual wire. The tool will be finalized during the committee's July meeting. The latest draft is attached.
