American Land Title Association Announces String as an Elite Provider

Washington, D.C., Oct. 16, 2019 — The [American Land Title Association](#) (ALTA), the national trade association of the land title insurance industry, announced it has named [String Real Estate Information Services](#) an ALTA Elite Provider.

ALTA's [Elite Provider Program](#) features distinguished service providers committed to furnishing extensive benefits to the title insurance and settlement services industry. Elite Providers promote the highest industry standards and provide effective solutions for ALTA members' critical needs.

"As an ALTA Elite Provider, String has shown its dedication to customers through the company's singular focus on and extensive knowledge about the real estate industry," said Diane Tomb, ALTA's chief executive officer. "In an industry that currently is experiencing sweeping changes, it is important for ALTA to supply members with innovative service providers that are actively engaged in creating state-of-the-art, customized solutions. The Elite Provider Program calls for our premiere providers to complete a comprehensive application process, which includes furnishing ALTA with member recommendations as well as financial statements. This extensive practice proves Elite Providers, like String, can add value for our members and make their businesses more profitable."

String provides a one-stop shop for all title and settlement back-office processes, including search, production and curative support. Its comprehensive solutions are delivered with a focus on security. With more than 16 years servicing the title industry, String has expertise that delivers increases in margins, significantly shortened cycle times and seamless workflow integration to its clients.

"As an ALTA Elite Provider, the team at String is poised to deliver even more value to ALTA members," said Prashant Kothari, String founder and managing director. "Our 1000+ experts and our 16-year history of success means that we are highly scalable and able to transition new processes with minimal transition time. One of our objectives as an ALTA Elite Provider is to minimize risk and maximize profitability for ALTA members at a time when the only constant is change."

ALTA members are eligible to receive a free, in-depth analysis of workflow processes and technology that will include a minimum of three specific recommendations that can increase profits by 10 percent or more. ALTA members should contact [String](#) directly to schedule their analysis.
