American Land Title Association Awards Fort Collins Resident National Title Professional Designation

Washington, D.C., December 20, 2013 — The [American Land Title Association](#) (ALTA), the national trade association of the land title insurance industry, has awarded Jeffrey S. Wolff of Fort Collins, Colorado a National Title Professional (NTP) designation.

The National Title Professional (NTP) Designation recognizes land title professionals who demonstrate the knowledge, experience and dedication essential to the safe and efficient transfer of real property.*

“This designation is a testament to Jeff’s outstanding commitment to the title industry,” said ALTA president Rob Chapman. “His knowledge, skills and professionalism are exemplary and it is an honor to award him with this distinction.”

Wolff is the Northern Colorado Regional Manager and Vice President at Fidelity National Title Company in Fort Collins and has worked in the land title insurance industry for more than 30 years. Jeff is a former board member of the Land Title Association of Colorado (LTAC) where he served as president from 2006-2007. Jeff received LTAC’s Certified Title Insurance Specialist designation in 1999. He was a co-founder and served as co-chair of the Property Records Education Partners, Colorado Chapter, and has served on the Colorado Privacy Task Force.

The designation has several elements, including industry and compliance prerequisites and training requirements. To apply for the NTP designation and for more information, please visit [ALTA's NTP website](#).

About ALTA

The [American Land Title Association](#), founded in 1907, is the national trade association representing nearly 4,800 title insurance companies, title agents, independent abstractors, title searchers, and attorneys. With offices throughout the United States, ALTA members conduct title searches, examinations, closings, and issue title insurance that protects real property owners and mortgage lenders against losses from defects in titles.

*Designation under the National Title Professional Program solely demonstrates that a land title professional has met the particular standards and criteria of the National Title Professional Program. Neither the American Land Title Association, nor the designation itself, guarantees or warrants anything beyond a designee’s ability to meet such standards or criteria. The American Land Title Association makes no representations, warranties, or guarantees as to, and has and assumes no responsibility for

the proper performance of land title services, including but not limited to the transfer of real property, or related services provided by designees.
