American Land Title Association Announces Two National Title Professional Designations

Washington, D.C., May 28, 2015 — The [American Land Title Association](#) (ALTA), the national trade association of the land title insurance industry, announced today two National Title Professional (NTP) designations. The two designees join 47 other industry leaders from around the country who have earned the prestigious professional designation.

The professional designation was received by Cheryl Cowherd of Agents National Title Insurance Company in Columbia, Missouri; and John Hollenbeck of First American Title Insurance Company in Santa Ana, California.

“I am proud of the enthusiasm, dedication and professionalism that Cheryl and John bring to the National Title Professional designation program and the land title insurance industry,” said ALTA President Diane Evans NTP. “I congratulate them on their NTP designations and appreciate their hard work and wealth of industry knowledge.”

The [National Title Professional \(NTP\)](#) designation recognizes land title professionals who demonstrate the knowledge, experience and dedication essential to the safe and efficient transfer of real property.*

The designation has several elements, including industry and compliance prerequisites and training requirements. To apply for the NTP designation and for more information, please visit [ALTA's NTP website](#).
