

# THE NATIONAL ALTA REGISTRY

## *Be Part of the Solution*

### EFFICIENT. ACCURATE. NEEDED.

#### **The ALTA Registry is a needed industry utility.**

Title agents and settlement companies will be identified earlier in the transaction to reduce errors when placing or closing title orders.

#### **The ALTA Registry provides more accurate data for lenders.**

Mortgage lenders need to confirm they are working with the correct title company, settlement agent or attorney for their compliance management.

#### **The ALTA Registry allows for a more efficient real estate transaction.**

Confirming your business on the ALTA Registry helps ensure more efficient communication among all parties in the transaction and eliminates duplicate businesses in various databases. *For more info visit [alta.org/registry](http://alta.org/registry).*
